Peters &Co. Limited announces its 2001 Canadian Energy
Conference - Information on Presenter Webcasts

T:PCA, N:PCZ, T:PCP, T,N:TLM, T,N:SU

Peters &Co. Limited is pleased to announce that its 5th annual Canadian Energy Conference will take place in Toronto, Ontario, on September 5 &6, 2001. Attendance at the conference itself is by invitation only. Members of the media are welcome to register and attend the conference by contacting the person indicated at the end of this notice.

Peters &Co. Limited invites all interested parties to listen to all live webcasts of participant Oil &Gas and Oilfield Services companies. The webcasts are scheduled to begin at 8:00 am EDT on Wednesday, September 5, 2001 and will continue at various times throughout September 5th and 6th.

Webcasts will be accessible through www.petersco.com by clicking on the associated link, as of September 5th. Archives will be available through the same link for 72 hours after the original broadcast. Audience members will need Windows Media Player in order to view the webcasts.

Our 5th annual Canadian Energy Conference will involve presentations from 26 of Canada's largest, publicly-owned energy companies, including integrated oil &gas companies, the largest exploration &development companies, oilfield services companies and oil &gas income trusts. The conference will take place on September 5th and 6th, from 8:30 a.m. to 5:00 p.m. EDT at Le Royal Meridien King Edward Hotel, 37 King Street East, Toronto.

In prior years, the Peters &Co. Energy Conference was held in New York City, in association with a leading Wall Street investment banking firm. This year's Toronto location, with sponsorship solely by Peters &Co., will make it the largest conference of Canadian energy companies held in that city.

Peters &Co. Limited is headquartered in Calgary, Alberta and is one of the leading independent investment dealers in Canada. It has specialized in research, sales, trading and corporate finance for Canada's oil &gas and oilfield services industries since 1971. Peters &Co. is known for its investment research, focused on energy investments for institutional investors, private clients and corporate clients, in Canada, the United States and overseas. Peters &Co. is a member of The Toronto Stock Exchange, the Investment Dealers Association of Canada and the Canadian Investor Protection Fund, and its U.S. subsidiary is a member of the National Association of Securities Dealers and the Securities Investor Protection Corporation.

Attached to this release is a copy of the conference program, including the times of each presentation, the names of presenting companies and the name of each company's speaker, typically the chief executive officer. Each company's presentation is expected to be available on its corporate website.
